COMMERCIAL AIR: T.F. Green Airport in Providence, RI (PVD) is the closest airport to Newport. Newport Shuttle has a counter near baggage claim and will transport you to and from Newport for just \$25 each way; reservations are recommended and may be made by calling 401.846.2500. Boston's Logan Airport (BOS) is about a 1-1/2 hour drive from Newport, but there are few public transportation options. Participants planning to fly into Boston should reserve a rental car.

DRIVING DIRECTIONS: [Registered non-military participants will be provided information regarding obtaining a pass for base access prior to the conference.]

From T.F. Green Airport: Follow signs out of the airport to Interstate 95-South (towards New York). Follow Interstate 95-South about 5 miles then exit left onto Route 4 (Exit 9). Take the Route 138-East ramp towards "Jamestown/Newport Bridges." After paying the \$4 toll and crossing the Newport Bridge, Route 138 will veer to the left and then you will exit right onto Admiral Kalbfus Rd. Enter the rotary and take the second right, which will take you to Gate 1. After passing through Gate 1, take the first left and follow the road up the hill to the Naval War College compound.

From Boston: Follow the signs out of the airport to Interstate 93-South, then follow signs to Route 24-South (towards Tiverton / Newport, RI). Route 24-South will become Route 114-South/West Main Road. Follow Route 114-South for approximately six miles until you reach Coddington Highway at a lighted intersection. Turn right onto Coddington Highway. Pass Gate 4. Take first right off rotary, which will lead you to Gate 1. After passing through Gate 1, take the first left and follow the road up the hill to the Naval War College compound.

Railroad: AMTRAK provides direct passenger service to Providence and Kingston (closest to Newport) stations from Washington, Philadelphia, New York, and Boston. There are no rental car outlets at either station; however, taxis will provide service by advance reservation.
